# Old Masters - Heritage - Canvas

The Old Masters is the traditional finish used at Gordon James Image Makers. All prints 4x5 and larger are mounted on art board and delivered in presentation folders. It is recommended that Old Masters prints are framed under non-glare glass for protection.

The Heritage and/or Canvas Mounting are available on Wall Decor. With Canvas mounting, the photographic emulsion is embedded into canvas and stretched over a wooden frame. The Heritage finish simulates a canvas mount. Both the Heritage & Canvas have a luster finish for protection and should be framed without glass.
