John Zach

Finance Chairman

Welcome to East Aurora Country Club. Please accept this letter as our invitation for you to join us in golf and friendship.

Established in 1916, East Aurora Country Club is a member-owned club with an 18-hole championship golf course and historic club house, located in a secluded and private setting. What sets EACC apart is our friendly membership, welcoming attitude, and relaxed atmosphere. We offer many membership levels, and our dues structure is all-inclusive, so there are no hidden fees or costs. And because we have a limited number of members, you'll never need a tee time.

At EACC, we're committed to providing an exceptional member experience, both on and off the course, and we're looking forward to an exciting 2019. We truly hope you will be a part of it. To take the next step, please call PGA Pro - David Jones at 652-6800, ext. 5.

On behalf of the entire membership, we thank you for your interest, and look forward to welcoming you to the club.

Regards,

Kevin Rozo, Membership Chairman
